

Commercial Essential Warranty

Customer Protect Warranty

Parts included

Your protection from the cost of unexpected failures.

✓ Engine

- Starter ring gear
- Flywheel
- Oil pump
- Crankshaft and bearings
- Timing gears and chains
- Camshafts and bearings
- Rocker assembly
- Cam followers
- Cam bearings and journals (including main caps)
- Buckets
- Shims
- Collets
- Tappet gear
- Inlet and exhaust valves
- Inlet and exhaust valve springs
- Inlet and exhaust valve guides
- Pistons and rings
- Cylinder bores
- Con rods
- Exhaust brake - all parts
- Core plugs
- Rear main oil seal and timing cover oil sea
- Big end caps (not including the crank balance shaft and drive unit)
- Cylinder head
- Cylinder head gasket
- Timing gears and chains
- Oil pump
- Gudgeon pins and bearings
- Crankshaft and bearings
- Inlet manifold

Excludes cracked or porous cylinder heads and bores, carbon deposits, skimming or pressure testing, timing chains/belt tensioners and electronic devices, burnt out valves and seizing of the exhaust brake.

✓ Steering

- Steering box
- Idler box
- Steering lock
- Steering rack and pinion
- Power steering unit including pump, pressure pipes and reservoir

Excludes power steering belts, external links and joints, rubber boots and swivel pins

✓ Transmission - Automatic

- Gears
- Gear lever
- Sun and planet gears
- Carriers
- Brake bands
- Clutch steel discs
- Clutch drums
- Brake bands
- Valve block
- Governor
- Oil pump
- Bearings and bushes
- Main shafts
- Pressure valves and seals

Excludes friction linings, external selector mechanisms, adjustments, electrics, oil seals and oil leaks

✓ Transmission - Manual

- Gears
- Gear lever
- Sun and planet gears
- Shafts
- Synchromesh and hubs
- Selector folks and shafts
- Splitter valves and mechanisms
- Speedometer driver
- Range change and solenoids
- Range changes and overdrive units
- Bearings
- Bushes
- Input and output lay shafts

Excludes selector mechanisms, electrics and oil seals and leaks.

✓ Engine Cooling System

- Radiator
- Oil cooler
- Water pump
- Thermostat and thermostat housing
- Thermostatically controlled radiator fan
- Heater matrix

✓ Front Wheel Drive

- Drive shafts including constant velocity joints
- Housing
- Universal joints and couplings
- Inner race cage and bearings

Excludes external linkages

✓ Four Wheel Drive

- Drive shafts
- Constant velocity joints and housings
- Inner race cage and bearing
- Universal joints and couplings
- Crown wheel and pinion
- Half shafts
- Half shaft oil seal and bearings
- Hub reduction gears.
- Differential locks and mechanism
- Planetary gears
- Differential pinion seal
- Bearings and two speed operating mechanisms
- Rear constant velocity joints

Excludes external linkages

✓ Suspension

- Coil Springs
- Upper and lower wishbones
- Ball and swivel joints
- Suspension arms
- Tie rod ends
- Anti-roll bar links
- Track rod ends (excluding bushes)
- Front and rear levelling valves
- Load sensor valves
- Air bags
- Levelling control unit for raising and lowering of suspension.

Excludes bushes.

✓ Engine Management

- Engine electronic control unit

✓ Electrics

- Starter motor
- Alternator
- Wiper and washer motors
- Relays
- Electric window motors
- Tachograph and sender units
- Buzzers
- Horns
- Sunroof motor
- Central-locking motors
- Heater fan motor resistor
- Multi-function stalk switch
- Immobiliser/alarm and clock

✓ Fuel System

- Lift pump and fuel injection pump
- Tank sender unit
- Electronic diesel control unit
- Pump
- Couplings
- Throttle body
- Airflow meter
- Idle control valve
- Pedal and throttle potentiometer
- Pressure regulator and sensor
- Map sensor

Excludes injectors, glow plugs, pipes, linkages, all Selective Catalytic Reduction (SCR), AdBlue controls, mechanisms and system.

✓ Cab Components

- Cab levelling valves
- Tilt pumps and rams
- Suspension
- Air bag units
- Front and rear bushes

✓ Clutch (manual transmission)

- All internal mechanical parts
- Clutch master cylinder
- Slave cylinder
- Release bearing
- Pressure plate
- Centre disc
- Oil contamination of the centre plate only

Excludes external linkages frictional material and burnt-out parts. Limited to one clutch repair during the warranty period.

✓ Air Conditioning

- The air conditioning compressor
- Re-gassing up to £60 (including VAT)

✓ Propshaft

- Including universal joints and couplings

✓ Turbo Charger

- All internal parts.

✓ Torque Converter

- All internal mechanical parts
- Pump
- Turbine
- Stator and lock-up clutch
- Bearings and bushes

Excludes adjustments, electrics and oil seals and leaks.

✓ Braking System

- Brake master cylinder
- Wheel cylinders
- Restrictor valve
- Brake calipers
- Servo.
- Regenerative braking systems (excluding frictional material)

✓ Timing Belts

✓ Wheel Bearings

- Front and rear wheel bearings

✓ Working materials

- Oils, oil filter and anti-freeze are included only where their replacement is essential as a direct result of the failure of an included item

✓ Casings

- Should the failure of any of the components included result in damage to the casings, then they will also be included
