

Motorhome Essential Warranty

Customer Protect Warranty

Parts included

✓ Engine

- Rocker assembly including hydraulic followers
- Inlet and exhaust valves (excluding burnt valves)
- Springs and guides
- Cylinder head (excluding cracks and de-coking)
- Cylinder head gasket
- Push rods, camshafts and followers
- Timing gears and chains (excluding tensioners and connected electrical devices)
- Oil pump
- Pistons and rings
- Cylinder bores
- Con rods
- Gudgeon pins and bearings
- Crankshaft and bearings
- Inlet manifold
- Flywheel and ring gear.

✓ Electrical System

- Starter motor and solenoid including pre-engagement mechanism and bendix drive
- Alternator/dynamo
- Coil regulator
- Window and sunroof motors
- Centralised locking
- Heater fan motor
- Indicator flasher relay
- Distributor
- Front and rear windshield wiper and washer motors
- Electronic ignition amplifier
- Horn
- Multi-function stalk switch.

✓ Running Gear

- Axles
- Hubs, hub bearings and hub oil seals
- Road wheels (excluding tyres and tubes)

✓ Engine Management

- Engine electronic control unit

✓ Turbo Charger

- Turbo unit

✓ Auxillary Electrics

- Main hook-up input connector
- ELCB
- Battery charger and distribution unit
- Interior lighting units (excluding bulbs and wiring)
- Interior LED lights.

✓ Automatic Gearbox

- Shafts
- Gears
- Clutches
- Brake bands
- Valve block
- Governor
- Oil pump, bearings and bushes
- Servo
- Drive plate
- Transfer gears
- Computer governor
- Torque converter (excluding oil leaks).

✓ Braking System

- Brake master cylinder
- Wheel cylinders
- Restrictor valve
- Calliper seals
- Servo
- All mechanical linkages, actuators.

✓ Differential

- Crown wheel and pinion
- Gears
- Shafts
- Bearings and bushes,
- Thrust washers and spacers

✓ Propshaft

- Including universal joints and couplings

✓ Timing Belts

✓ Cooker

- The cooker unit including burners, grill, oven, hot plate and flame failure device and igniter.

✓ Heating System

- Thermostat
- Fan motor
- Water pump
- Element
- Switches
- Control unit
- Gas/electric heater
- Flame failure device
- Igniter (excluding ducting and fittings)

✓ Cassette Toilet

- The cassette toilet (including the cassette) is covered (excluding seals, valves and glands.

✓ Body Integrity

- Plastic and glass reinforced plastic (GRP) panels are covered for water ingress and subsequent delamination through any permanently sealed seam or joint, being part of the motorhome's original manufacturer's or coachbuilder's construction, for motorhomes up to 7 years of age.

✓ Fridge

- Door seal
- Condenser
- Gas control valve and gas igniter,
- Flame failure device
- 12v and 240v selector switches and 12v and 240v heater elements
- Gas thermostat
- 240v thermostat and 240v temperature control switch
- Electronic components including printed circuit board.

✓ Engine Cooling System

- Radiator
- Oil cooler
- Viscous fan coupling
- Water pump
- Thermostat and thermostat housing
- Thermostatically controlled radiator fan

✓ Clutch

- Centre plate
- Pressure plate
- Release bearing
- Oil contamination (centre plate only)
- Master and slave cylinders

✓ Four, Front and Rear Wheel Drive

- Drive shafts including constant velocity joints
- Universal joints and couplings (excluding gaiters)

✓ Front and Rear Suspension

- Coil springs

✓ Wheel Bearings

- Front and rear wheel bearings

✓ Water System

- Water heater (gas or electric)
- Freshwater tank
- Water pump and gauges

✓ Gas System

- Gas pipe runs and joints
- Gas bottle fixing brackets (manufacturer's or coachbuilder's fitted units only)

✓ Suspension

- Coil springs
- Hangers
- Shackle pins
- Bushes
- Shock absorbers and mountings

✓ Towing Mechanism

- All mechanical components fitted to motorhome (excluding electrics).

✓ Fuel System

- Carburettor
- Automatic choke
- Lift pump
- Mechanical or electrical fuel pumps (including fuel injection pump)
- Tank sender unit

✓ Manual Gearbox

- Gears
- Synchromesh hubs
- Selectors
- Shafts, bearings and bushes
- Transfer gears (excluding oil leaks)

✓ Steering

- Includes Power Assisted Steering
- Rack and pinion
- Steering box
- Power steering rack and pump and reservoir
- Idler box where applicable (excluding gaiters)

✓ Anti-lock Braking System

- ABS control unit
- Pump
- Wheel sensors

✓ Air Conditioning

- The air conditioning compressor forming part of the original base motorhome chassis
- Re-gassing up to £60 (including VAT)

✓ Casings

- Should the failure of any of the components included result in damage to the casings, then they will also be included

✓ Working materials

- Oils, oil filter and anti-freeze are included only where their replacement is essential as a direct result of the failure of an included item
